

CURRICULUM VITAE/RESUME

Garrett Seo - Applying for Information Ph.D.

garrettseo@gmail.com | (732) 383 0475 | <https://garrett-seo.github.io/>

EDUCATION

M.S. Computer Science

Sep 2024 - May 2026

Rutgers University | GPA: 4.00

- Thesis (Advisor: Xintong Wang): “Understanding Strategic Platform Entry and Seller Exploration”
- Relevant Courses: Economics and Computation, Foundations of Learning, Natural Language

B.S. in Computer Science, B.A. in Mathematics

Sep 2021 - May 2024

Rutgers University | GPA: 3.98 | Highest Honors in Computer Science | Summa Cum Laude

- Relevant Courses: Intro to AI, Real Analysis, Probability Theory, Linear Algebra

RESEARCH EXPERIENCE

Research Assistant - Rutgers University

Jun 2024 - Present

- First-author paper (in review) analyzing platform entry into third-party products via game theory
- Computed optimal platform and seller strategies using Gittins index in single-seller environments
- Modeled ε -Nash seller strategies with DeepQ networks (PyTorch) in multi-seller environments
- Paper • Code

Competitor: Automated Negotiating Agents Competition (ANAC)

April 2025 - Aug 2025

- Won 1st out of 17 international teams; results presented at IJCAI 2025
- Built a negotiation agent for sequential one-to-many negotiations with combinatorial deal rewards
- Presentation • Poster • Code

TEACHING EXPERIENCE

Teaching Assistant: Economics & Computation - Rutgers University

Sep 2025 - Present

- Held office hours and graded homeworks on game theory, auctions, and mechanism design

Teaching Assistant: Intro to AI - Rutgers University

Sep 2024 - Dec 2024

- Conducted recitations on search, Bayesian networks, reinforcement learning, and neural networks
- Won 2024-2025 Excellent TA Award and received instructional rating 4.7/5.0

PROFESSIONAL EXPERIENCE

Full-Stack Software Engineer Intern - Bluevine

Jun 2023 - Aug 2023

- Built back-end data-to-report pipelines, front-end admin tools, and boosted automation by 13%

SKILLS

Languages: Python, Java, C/C++

Frameworks & Libraries: PyTorch, Numpy, HuggingFace, Matplotlib, Pandas

Hobbies & Interests: Powerlifting, Poker, Teaching, Reading Fiction
